TITLE III; ADA VIOLATION

COMMUNICATION

PARDEE UNC HEALTHCARE +
SOUTHEASTERN SPORTS MEDICINE
AND ORTHOPEDIC

REQUEST FOR COUNCIL

CIVIL RIGHTS

I'm requesting an appointed council due to my cognitive ability due to injury, the struggle with the Federal Court process and limited library time due Covid-19.

ADA TITLE 3 COMMUNICATION VIOLATION

1. Violation of Title 3, ADA: Dr. Guram, Dr. Rudins and staff didn't notify my law firm or representation of the major changes in my injury diagnosis resulting in tainted insurance claims and loss of Social Security Disability insurance while destroying my Social Security Retirement benefits and leaving me with an untreated spinal and head injury.
-

RELIEF

20 Million dollars for switching my injuries in violation of title 3 ADA; communications by not letting my law firm know of the major injury changes when I have concussion syndrome. I've lost over 20 years of Medicare services and my Social Security retirement is destroyed due to the doctors changing my injuries without using the proper chain of communication according to title 3 of the ADA; communication. The pain and suffering and the physiological damage from the emotional abuse is included in the 20 million, along with the destruction of my reputation.

CONCLUSION

Due to the doctors at Pardee , Southern Sports Medicine violating the title 3 act of the ADA ; communication law: I'm asking for 20 million dollars because the doctor did not inform my law firm or representation of the major medical changes when I have concussion syndrome resulting in tainted insurance claims and permanent spinal injury and physiological damage.
